Dear Janice:

Thank you for submitting your accreditation application to the National Commission for Certifying Agencies (NCCA) on behalf of the Society of Certified Senior Advisors (SCSA) Certified Senior Advisor (CSA) program. Your application was reviewed by the NCCA Commission during their August meeting.

The NCCA Commission is pleased to report that their decision was to grant accreditation to the SCSA CSA program for a period of five years through August 31st, 2013.

SCSA may advertise that this program is accredited by the NCCA and the NCCA accredited program logo may be used to attest to accreditation of this credentialing program. A certificate denoting the program's accreditation will be mailed to you within four weeks.

Please remember that Standard 21 requires SCSA to demonstrate continuous compliance with the Standards in order to maintain accreditation. The Commission must be notified promptly when significant changes are implemented for the CSA certification program. SCSA will receive an annual report form each year that must be completed and returned to the NCCA executive office.

The NCCA appreciates the continued interest of SCSA in providing high quality certification programs. Please contact the NCCA executive office if we can be of assistance to you or your organization.

Sincerely,

Denise Fandel, CAE
NCCA Chair
